EDUCATION

Govt Hr Sec School, Moolaikaraipatti,Tirunelveli— *10th.*
2017-2018
percentage-75%.

Govt Hr Sec School, Moolaikaraipatti,Tirunelveli— *12th.*
2019-2020
percentage-66.6%.

Nandha College Of Technology, Vaikkalmedu-Erode — *B.E-Computer Science And Engineering.*
2021-2025
CGPA-8.07

PROJECTS

Quick Mart - E-Commerce Application

Developed a responsive e-commerce application using React, Tailwind CSS, Java Spring Boot, and Oracle SQL Developer. Implemented features like product search, secure user authentication, shopping cart, and real-time order tracking. Designed a scalable backend and optimized database for efficient transaction management.github repo

Bike Service Hub Application

Developed a full-stack web application using Java, Servlet, and Oracle Sql developer,Html,css,JS to manage bike service bookings, track progress, and collect customer reviews, integrating automated server reloads for an enhanced user experience. github repo

Corp Care Rover

Developed an automated crop fertilization system with Bluetooth manual control, enabling precise fertilizer spraying between crops and providing users with an option for manual adjustments via Bluetooth. github repo

Show My Way

Built an application that generates the optimal route for visiting a set of cities, ensuring each city is visited before returning to the starting point. Designed with html,css,js,python, flask, and Google Maps API, the app calculates efficient travel paths and integrates real-time mapping, enhancing multi-city route planning for users. GitHub Repo

SKILLS

Html5

Css3

Java Script

React

Tailwind css

Spring Boot

Sql Developer

Java

Data Structures And Algorithms

Git and GitHub

ADDITIONAL CERTIFICATIONS

Cognifyz Technology Certified Web Developer

Cognifyz Technology Certified Java Developer

Cisco Certified JavaScript Developer

Trioakx Certified Backend Java Developer

Nptel -cloud computing and big data computing.

LANGUAGES

Tamil,English
